Don't forget – *the deadline for 2019 Early Enrollment is August 17 (the last day of camp)*! In order to lock in the best rates, be sure to send your enrollment application and deposit via bus mail, fax or regular mail by next Friday!! If you have friends who are not currently enrolled at LakeView but are interested for next year, please have them call the office for new camper enrollment forms, which will be available after camp ends!

Lost & Found

One more week of camp! If your camper is missing any items, please be sure to check our online Lost & Found photo gallery (where you can see pictures of unlabeled items turned into the office).

Also, please check your camper's belongings to be sure they haven't mistakenly brought home another camper's items! If they have (don't worry – it happens all the time!), please send it back to camp via bus mail with a note and we'll pass it along to the division leader so it can be returned to its owner!

Week Seven Overnights!

We had lots of fun overnights at camp this week! Senior boys and girls had tons of fun with a barbecue and DJ dance party before their Monday night sleepover. Third graders slept over Tuesday, 4th graders on Wednesday (with some awesome craft projects before lights out!), and our Teens/LVLPs had a Thursday night overnight after a busy Carnival Day!

SPECTACULAR WEEK SEVEN!

Week Seven was off to a super fun start on Monday with STAR WARS day, and then we went right into TIE DYE TUESDAY. We spent Wednesday "UNDER THE SEA," and our amazing annual CARNIVAL DAY on Thursday was tons of fun, with rides, games and treats! We showed our campus spirit on COLLEGE DAY Friday, when we wrapped up another week of camp.

We've still got one more week of summer fun starting Monday, and TRIBAL DAYS on Tuesday and Wednesday! Have a great weekend, and we'll see you next week!

HAPPY BIRTHDAY!!!!!

This week's featured International is Elliott!

Elliott joins us here at LakeView for a second summer as a Soccer Specialist from Manchester, England. He says he had such a good first summer that he couldn't help but come back, especially for the kids, the staff, and the theme days! Elliott just graduated with a Masters Degree in chemistry, and plans to get a Ph.D., but not before traveling with a friend through Central America once camp is over!

What's Cooking in Cooking

The recipe of the week is for FRUIT PIZZA!

- Preheat oven to 350 and prepare a 17.5 oz pouch of sugar cookie mix according to directions.
- Using your hands, evenly spread the dough on a cookie sheet. Poke the dough lightly with a fork to prevent air bubbles.
- Bake until lightly browned, about 12 min. Cool completely.
- Mix one 7 oz package marshmallow cream with one 8 oz block of cream cheese until smooth.
- Frost cookie dough crust with the cream mixture, and cover with 2-3 cups sliced fruit (strawberry, blueberries, kiwi, etc.)
- Slice into pieces and serve!

We had a FANTASTIC time at Carnival Day!!

A LAKEVIEW FAMILY GUIDE TO TRIBAL DAYS

Tribal Days are LakeView's version of color war, and takes place on Tuesday and Wednesday of Week 8. LakeView's tribes (which have been around for more than 50 years) are:

- **Lakavus** – BLUE
- **Kavalues –** RED
- **Konkakootchies** – GREEN - (often abbreviated to "Konks")
- **Manitous** – **YELLOW** – (pronounced "*Man-i-taws*")

Kiddie Kastle campers are placed in tribes by group (for example, all BKB campers are Manitous this year), and once campers are in Main Camp (1st grade and up), the tribe they're assigned is the tribe they stay in for the duration of their LakeView experience. Campers often wear their tribe colors to show their support during Tribal Days.

Campers spend part of the day in their groups, and part with their tribes, participating in games and competitions, and having lots of fun! The winner of Tribal Days will be announced Wednesday afternoon.
