WOO HOO for WEEK TWO!!

We kicked off Week 2 with International Day – we loved seeing our campers dressed in gear from their favorite countries! Tuesday everyone wore their smiles, and Jersey Wednesday got off to a great start with a greeting by the Rutgers Scarlet Knight! We had some Brazilian Carnivale fun on Thursday, and celebrated this year's WORLD CUP on Friday. Read more below about our busy week with overnights, a teen trip and InterCamp Sports League!

We're looking forward to seeing everyone's Crazy Hats on Monday – Have a super weekend!

Teen Travel Update

LakeView Teens are off to a super summer! During Week 1, Teens spent the day in Manhattan, enjoying lunch at Ellen's Stardust Diner and a matinee performance of *Matilda* on Broadway!

This week took them offsite for fun games and a pizza picnic in the park on Wednesday; Thursday was a super fun day for the teens at Dave & Busters!

Next week, the teens head to Hershey for three days of fun! And when our teens are back on site, they're enjoying GaGa, sports, Outdoor Adventure, and everything camp has to offer!

3rd, 4th, 5th and 6th Overnight!!

LakeView's 3rd and 4th graders and Seniors (5th and 6th graders) had fantastic overnights at camp on Wednesday and Thursday! Campers enjoyed an awesome dinner here at camp (along with homemade s'mores over a LakeView campfire) and some nighttime camp fun before 'lights out' for all campers!! We're looking forward to more overnights during the second half of the summer!

Teens in New York

Featured Division Senior Girls 5th and 6th Grade

Senior Girls are having a super summer with Division Leader Jaci and counselors Sarah, Ana, Rachel, Kate, Meghan and Alyssa! Their bunk theme this summer is THINK GREEN - the girls are heading up recycling and beautification efforts around camp this summer (by doing things like keeping an eye on their food waste, and having a recycled newspaper fashion show at this week's overnight!). This year's Seniors are a silly, energetic, creative bunch of girls, who are loving ropes, rock wall and all that Outdoor Adventure has to offer. They're having fun trying karate and making jewelry, and they're getting excited for the Senior Show in Theater (Peter Pan, presented during Week 4 of camp!). Senior Girls can often be found in the middle of one of their famous DANCE PARTIES!

Inter-Camp Sports Leagues

This week, LakeView campers enjoyed some friendly competition with campers at Black Bear Lake Day Camp in basketball, soccer, baseball and football. Inter-camp Sports Leagues are coordinated by Justin and coached by Brian and Tom. LakeView enjoyed a clean sweep this week and campers look forward to more competition later this summer!

What's Cooking in Cooking?

Week 2 brought LakeView campers some more fun, healthy treats in Cooking! Chloe and Taylor worked with the kids to make zucchini and plantain chips, apple nachos and guacamole. This week's recipe is for Blender Pudding - a favorite of lots of campers!

Blender Pudding:

Blend together (in blender), until pudding consistency:

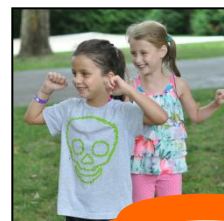

- 1 avocado
- 2 tb cocoa powder
- 1 tsp vanilla extract
- 1/3 cup honey
- 1/2 cup milk (dairy or coconut)

This week's featured International staff member is KATY!

Boating Specialist Katy comes to LakeView this summer from Bath, England!

Katy has been to California (competing in Modern Pentathlon - cool!), but this is her first time on the East Coast. When asked about how it's different from home, she says it's much warmer than home, but that she loves being out on the lake!

Katy loves that everyone at LakeView is really nice, like a big family. She says the campers are "real sweet." It's nice to getting to know them and forming relationships with them. She's finding that American kids are much less reserved than British kids.
