NOTES FOR HOME

If your camper boards a bus at a centralized stop in Westfield (LVO1 through LVO6), please be sure to have your camper to the bus stop between 8:00 and 8:10 a.m. After another attendance and seatbelt check, buses pull out at 8:20, and as a courtesy to campers who are waiting on the bus, we are unable to hold the bus for families who may be running late.

If your camper is going to be absent from camp, please be sure to call the office or send in bus mail either that day or the night before to let us know.

A reminder: LakeView's Lost & Found is online. Please check our photo gallery at lakeviewdaycamp.com to see photos of any unlabeled Lost & Found items. If you find your camper's item, please send a note into the office via bus mail and we will send it home!

WEEK 3 AT LVDC!!

Thanks for another awesome week here at LakeView! We started off the week with campers in their CRAZY HATS on Monday, and then slid into Hometown Tuesday (fun to see our campers in their gear from home!). We all came in for Wednesday fun in our favorite t-shirts, and enjoyed TROPICAL THURSDAY before Rock Star Day on Friday! Mother Nature stepped in to reschedule some of our visiting nights, but we were happy to see lots of families here Wednesday and Thursday (and our Kiddie Kastle families Monday afternoon!). Have a great weekend and we'll see you all for Mustache Monday!

Even in the rain, LakeView campers are having fun!

Doug and the LakeView Team

We loved spending time with LakeView families at visiting this week! We enjoyed having you here and showing off some of our campers' activities....

TEENS COMMUNITY SERVICE

LakeView's Teens and LVLP's had a fun time giving back this week by volunteering for a few hours at the NJ Community Foodbank. Division Leader Bonnie says, "It was great to see the Teens working together to lend a helping hand. I love seeing them having fun at their activities every day, but there was something special about making this a part of their LakeView experience." The campers and staff were praised for the amount of food they were able to sort and box in a short amount of time. We look forward to continuing this tradition.

Congratulations to LakeView swimmers for their win over Liberty Lake in this week's Swim Meet, 66-62.

Campers in action!

Featured Divisions - 1st and 2nd Grade Boys

1st Grade campers, along with Division Leader Brad and counselors Gabby, Chris, Ty, Cha, Dan, Jenna, Marcus and Clara, are having a fantastic summer in their superhero themed bunk! These energetic and excited boys are LOVING Gaga and Swimming, are having tons of fun at LakeView's new Build & Play, and enjoyed making soap balls in Mad Science this week!

Ken's energetic and enthusiastic 2nd Grade boys with counselors Ryan, Gavin, Avi, Jason, Sam ,Greg, Kendall and Josh are having lots of fun in their DAWG POUND bunk! These boys love Gaga, Team Handball, Boating and Cooking! These spunky boys participate in all that LakeView has to offer and are having a super summer!

Featured Specialty – Boating

LakeView campers are having an awesome time down in boating with specialists Dana, Pete, Hayley and Katy, led by Dan! Campers have been happy to get into boats and out onto Farrington Lake and try their hand at fishing, paddleboating, kayaking and canoeing. LakeView is also super excited about our new **PONTOON BOAT** which takes a whole group and staff out on the lake for some nature exploration.

New Pontoon Boat!

Happy Birthday!!

Here's What's Cooking in Cooking with Chloe and Taylor

Campers tried some fun foods with familiar ingredients this week – eggplant lasagna, sweet potato brownies and apple crisp! They loved making (and eating!) blueberry and chocolate chip muffins, and tried yummy Flour Tortilla Pizzas (here's the recipe!).

Cover one 8-inch flour tortilla with ¼ cup tomato sauce and sprinkle with ¼ cup mozzarella cheese.

Top with raw vegetables of your choice (campers used peppers, onions, tomatoes and avocado), and bake in a 400 degree oven for about 10 minutes until crispy. Enjoy!

This week's featured international is **LAURA**

Laura returns to LakeView this summer as a Gymnastics specialist after a one summer break (she says she missed it so much and loves everyone here, so she just HAD to come back!). Laura loves the positive vibes and the kids' smiles here at camp.

During the year, Laura is a teacher in Inverness, Scotland. She teaches at the smallest elementary school in the Highlands of Scotland – there are only 16 students in the entire school!
