News From the LakeView Playhouse

LakeView campers are having lots of theater fun with Emily this summer! On Friday, July 21, Senior Campers will be performing Bye Bye Birdie for campers in the afternoon and parents in the evening.

3rd and 4th Graders will showcase their performance of Beauty and the Beast for campers and parents during the day, also on July 21. Campers in G1, G2 and B1 are having fun playing theater games with Emily during their regular camp schedule!

Teen Update

LakeView Teens and LVLPs are off to a super summer! They had a fun day of laser tag during Week One, and spent a day this week at Six Flags. Continuing a LakeView tradition, on Wednesday morning, the Teens volunteered their time at the NJ Community Food Bank.

Next week the Teens head to Pennsylvania for their first overnight trip, where they'll visit Dorney Park, spend a day of adventure at Blue Mountain Resort, and enjoy the Aqua Park at Dutch Springs.

When Teens and LVLPs are back at LakeView, they enjoy all that camp has to offer!

Featured Division – Senior Girls

Senior Girls are off to a super fun start in their Tropical-themed bunk with Division Leader Michelle and counselors Sydney, Kim, Ashley, Katherine, Katie and Autumn!

This summer's Senior Girls motto is "Be a pineapple – stand tall, wear a crown and be sweet on the inside." This unique group of girls is creative, funny and caring. They love spending their days at camp at Pioneering, Mad Science, Makerspace and Paddleboarding on Farrington Lake!

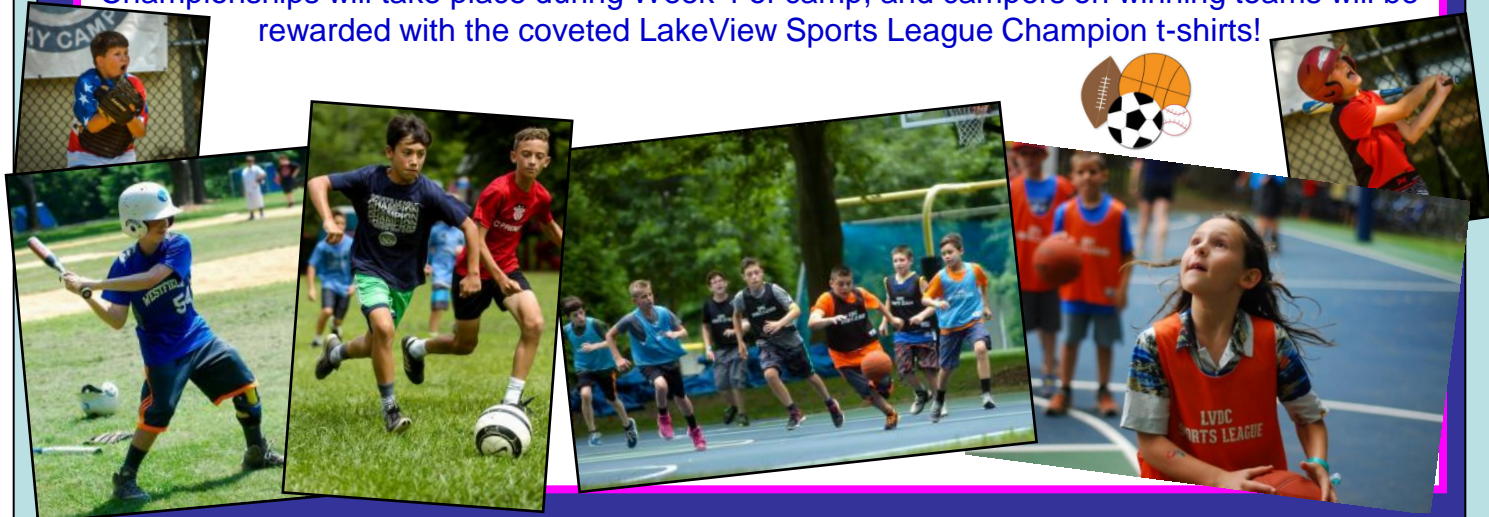

LakeView Sports League Update

LakeView athletes are off to a great start this summer! Senior Boys and Girls who selected Travel Sports League for their choice activity participate in baseball, football, basketball and soccer. Competition began this week as LakeView swept Liberty Lake Day Camp Thursday!

In-Camp Sports League campers (3rd/4th and Seniors & Teens) have all been selected for teams that will compete in hockey, basketball, football, baseball and soccer and more. Championships will take place during Week 4 of camp, and campers on winning teams will be rewarded with the coveted LakeView Sports League Champion t-shirts!

What's Cooking in Cooking?

This week, campers learned all about where the food we eat comes from. We planted an herb and vegetable garden right outside of Cooking, tried some herbs, and even tasted some edible flowers growing in our garden! We talked about some easy-to-grow perennials (which means you can plant them NOW and enjoy them every year!)

- ♦ Rosemary*
- ♦ Asparagus
- ♦ Rhubarb*
- ♦ Oregano*
- ♦ Strawberries and other berry bushes

This week's featured International staff member is Amelia!

Amelia comes to LakeView for her first summer as a Gymnastics Specialist from a small town called Rutland in England. She had heard good things about working at American camps, but says that LakeView is "even better than what I could have imagined! The kids put me in a good mood every day." She loves that the international staff has become like a "mini-family."

Week 2 Fun!!

KARE KORNER

Campers were really excited to see the Bartletts' dog Margo at morning meeting this week to help Christina talk about KARE. Margo lost a leg this spring, learned to walk on three legs in just a few days, and was quickly back to her old self. She focuses on what she has and not what she does not have... so we asked campers to think of all they have and to find a moment to be grateful for it. That gratitude creates a positive attitude that allows us all to show kindness and respect to everyone.

"Attitude is a little thing that makes a big difference."
– Winston Churchill

KARE = Kindness And Respect for Everyone!
