NOTES FOR HOME

If your camper is going to be absent from camp, please call the office or send in bus mail either that day or the night before to let us know.

Lost & Found reminder: Photos of items from LakeView's Lost & Found can be found online. Please check our photo gallery at lakeviewdaycamp.com (the password is lakeview) to see photos of any unlabeled Lost & Found items (labeled items are returned to division leaders to be given back to campers). If you see a picture of your camper's item online, please send a note into the office via bus mail and we will send it home!

LVDC Week Three!

We've had a super fun, super busy week here at LakeView! We started off with Jurassic Day (RAWR!) and the Senior overnight on Monday. It was easy being green (the color of the day!) on Tuesday, and we loved seeing princes, princesses and other characters on Disney Day Wednesday (and we welcomed our Teens back from their first overnight trip)! Thursday had campers in crazy socks, and we saw lots of 'staches for Facial Hair Friday! We had tons of fun with camper families on our Visiting Night Tuesday (see some awesome pics below!).

We'll see you back at camp on Monday for our wonderful Water Day!! Have a great weekend!

Doug, Christina and the LakeView Team

We loved spending time with LakeView families at visiting this week! We hope you had a great time joining your campers for some family LakeView fun.

HAPPY BIRTHDAY TO YOU....

Featured Divisions - 1st and 2nd Grade Boys

Division Leader Brad says his **1st Grade Boys** are a funny and playful group, and they're super organized! These boys love Go-karts, Bungee Trampoline and playing Gaga. They're off to a fun summer in their Lynx-themed bunk with counselors Tyler, Lisa, Nick, Kristin, Rolly, Eryn, Joe and Nana.

Division Leader Josh's **2nd Grade Boys** are energetic, creative and enthusiastic. They're having a fun summer in their Pirate-themed bunk, and love spending their time at Archery, the Rock Wall and at Free Swim with their counselors Joey, Kevin, Beau, Liam, Esteban, Keith, Gabe and Joe.

This week's featured International is Caitlyn!

Caitlyn comes to LakeView from Nelson, New Zealand, for her first summer as our Mountain Biking Specialist (her family owns a mountain biking store!).

Caitlyn wanted to share her love of the outdoors with the kids here. She loves that the campers are willing to try everything camp has to offer, and that they're giving her pointers on what to see while she's here in the U.S.

When Caitlyn returns to New Zealand after camp, she'll continue working for the social media management company she recently started!

What's Cooking in Cooking?

This week's recipe is for Veggie Dip!

Put the following ingredients into a blender and blend until smooth:

- ¾ cup mayo
- ½ cup sour cream
- ½ tsp. salt
- ¼ cup basil leaves
- ¼ cup fresh parsley
- Small amounts of dill and mint leaves

Enjoy with veggies or chips!

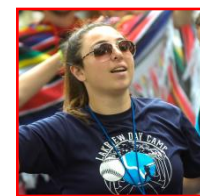

Senior Overnight!

KARE Korner

This week, we shared an anonymous quote with our campers: "Don't walk in the footsteps of others or you will never leave your own." The quote helped us think about what footsteps we are leaving all around camp... How am I acting toward my friends, at activities, and how am I impacting my environment? What do I want my footsteps to look like? We finished with: "as you walk around camp today take great KARE in each footstep you leave behind."
