LAKEVIEW NEWS

Available at fine camp newsstands everywhere!

Dear LakeView Families,

With this letter, our 79th summer has come to an end, but what a summer it has been. Thanks so much for having fun with us this summer! A reminder of some of the amazing memories:

- The unbelievable smiles and joy present on camper faces from day one.
- Watching the very talented (and super cute!) dance performances at morning meetings.
- The laughs and smiles while watching all the amazing theatrical performances.
- Enjoying in total 14 different and very creative overnights for our older campers.
- Best of all was seeing the proud and accomplished faces of those campers and staff who received their 5-year medallions and 10-year jerseys (and a very special honor for Gene Gugliotta, who celebrated his 30th LakeView summer this year).

Christina and I would like to thank you for giving us the opportunity to work with your children. With the help of an amazing staff, we hope to have created a nurturing, safe, exciting and memorable summer.

We wish all of our staff and campers a successful start to the school year and thank all of you for being a part of our family this summer. 2018 is just around the corner so don't miss out on being a part of LakeView's 80th summer!!

Our Warmest Wishes,

Doug and Christina

Our 3rd and 4th Graders also entertained campers and families on Monday with their show **Peter Pan**. A big THANK YOU to LakeView **Theater Specialist & Director Emily** and Music **Specialist Denise**, who spent the summer working with campers to create these and other great performances here at the LakeView Playhouse!

International of the Week

This week's featured international is Michal, who joins us for his first summer at LakeView (and his first time in the U.S.), from Solec Kujawski, Poland. Michal is working in the kitchen and spending time with campers at OT; he says that LakeView is a "really nice place with kind people, and the kids are great!" He plans to travel to Washington, D.C., Niagara Falls and Toronto when camp ends, before returning to Poland to finish his Master's Degree in Physiotherapy (and work as a soccer coach!).
