Senior Adventure Overnight Week

Seniors had the opportunity to spend this week at camp (nights too!) for some extra adventure!

After their regular camp days, campers enjoyed some adventure fun, including boating challenges, outdoor cooking and tent sleeping, and a spartan/adventure race. One of the week's highlights was an evening trip to iFLY for some indoor skydiving, and campers finished off their week of adventure with breakfast at the lake on Friday!

What's Cooking in Cooking

The Recipe of the Week is for **Perfect Crepes!**

In a blender, combine all ingredients and mix until smooth, about 15-20 seconds:

- 2 cups milk
- 3 tb. Butter, melted
- 1 tsp. vanilla
- 1 ½ cups flour, sifted
- 4 eggs
- 1 tb. sugar
- ½ tsp. salt

Spray nonstick cooking spray onto 8-inch frying pan. Pour about ¼ cup batter into the pan and cook over medium-low heat. Turn pan immediately from side to side to form an even circle. Cook about 1-2 minutes per side or until lightly browned.

Remove from heat and serve with your favorite toppings (we like berries!).
